Dear Paul:

I felt compelled to drop you a note to say thanks for the great work SMW provide to the Medical Center regarding our fire loss at the Doctors Office Building. The SMW team, especially Marvin Milton, was top notch. Their dogged determination, carried out in a professional and courteous manner, was not only refreshing to see, but produced an extremely effective result for the Medical Center.

Certainly, the Medical Center hopes that such a loss will never occur again. However, should such a situation arise, I will not hesitate to call again upon SMW for advice and assistance.

Please express my thanks, and that of my staff's, to all at SMW who worked so hard to bring this otherwise difficult situation to a successful conclusion.

Sincerely,
